

# Summarise all mails I got from MLSA team from my mail inbox

Generated by Atlas · 7/17/2026, 8:39:51 AM

## Introduction

Unfortunately, there are no emails from the MLSA team in your inbox. The emails in your inbox are from various other sources, including GDG Event Platform, freeCodeCamp, LinkedIn, and Hyderabad DAO.

## Email Summary

Here is a summary of the emails in your inbox:

- 1 email from GDG Event Platform regarding a GSoC Meetup @Google Ananta
- 1 email from freeCodeCamp about a Python course and other resources
- 1 email from LinkedIn regarding an invitation
- 2 emails from Hyderabad DAO regarding the Cardano IndiaCodex'26 event

## Email Details

Here are the details of each email:

### GDG Event Platform

| Category | Description                                                     |
|----------|-----------------------------------------------------------------|
| Sender   | GDG Event Platform                                              |
| Subject  | Join us in our next event: GSoC Meetup @Google Ananta           |
| Content  | The email invites the recipient to a GSoC Meetup @Google Ananta |

### freeCodeCamp

| Category | Description                                                                   |
|----------|-------------------------------------------------------------------------------|
| Sender   | Quincy Larson                                                                 |
| Subject  | Learn Python by coding six projects from scratch [Free 9-hour course]         |
